CIRCULAR.

Subject:—Safe custody of nominations executed by Non-Gazetted Government servants in accordance with the Revised Pension Rules.

No. Fl. (B). 9310-510—C.R. 14-53-2. As per clause (viii) of Rule 4 under Section II of the Revised Pension Rules contained in Appendix 'A' of the Mysore Service Regulations, immediately on receipt of a nomination from a non-gazetted Government servant, the Head of the Office shall countersign it indicating the date of receipt and keep it under his custody.

The following subsidiary instructions in respect of the safe custody of such nominations are laid down for the information and guidance of Heads of Offices.

(i) The nominations should not be pasted in the Service Books of the Government servants, but should be kept in the personal custody of the Heads of Offices.

(ii) As the nominations of deceased officers for death *cum* retirement gratuity, etc., serve the same purpose as a will or a testament of the officers concerned, it is necessary that all possible measures should be taken to obviate any chance of their loss, since in case they are lost, it will not be possible to replace them or to settle effectively any dispute that might arise.

(iii) As all claims for death *cum* retirement gratuity and Family Pensions should initiate from the Heads of Offices, it is incumbent on them to scrutinise the legal aspects and settle the claims in connection therewith.

(iv) For the purposes of verification of claims, and authorising payments of pensions and gratuities, copies of the current original nominations certified to be correct by the Heads of Offices, should invariably be attached to the pension papers sent to the Accountant-General, Mysore, by them.
